Cancellations and Refunds during Covid19

If you are prevented from fulfilling your booking as a result of Government imposed Covid19 travel restrictions, including national lockdown, you will be entitled to a full refund. We would ask you to notify us as soon as you become aware of any such restrictions covering your area.

We advise all guests to take out appropriate travel insurance covering the duration of your stay. This should include cancellation cover in the event that you are unable to travel due to ill health as this is not covered under our cancellation policy.
